PARAMEDIC ACCREDITATION

I. PURPOSE

To establish procedures for a California licensed Paramedic to become accredited in the City and County of San Francisco.

II. POLICY

- A. Applicants for initial or re-accreditation as a Paramedic in the City and County of San Francisco must apply to the San Francisco EMS Agency for a Paramedic accreditation. Applicants must meet all minimum requirements identified in this policy.
- B. No person shall use the Paramedic scope of practice in San Francisco unless they are currently an accredited Paramedic or have completed the requirements to be an accreditation candidate.
- C. Paramedic applicants with background issues listed under Health & Safety Code, Section 1798.200 in the categories of actions constituting a threat to public safety may be precluded from obtaining a Paramedic accreditation. The Paramedic applicant may be required to submit additional information or participate in an in-person interview for determination of the applicability of Health & Safety Code, Section 1798.200. Denial of accreditation shall be subject to provisions of this policy and *Policy 2070 Certificate / License Discipline Process for Prehospital Personnel*. The EMS Agency Medical Director retains the final decision through his/her medical authority whether to grant or revoke a Paramedic accreditation in San Francisco.
