

RECOMMENDATION FOR FOLLOW-UP TO A POSSIBLE INFECTIOUS DISEASE EXPOSURE*

Incident #: _____ **Date:** _____

Dear Citizen,

Thank you for providing assistance to this patient at the time of their emergency, illness, or injury. It is possible that, in the course of assisting this patient, you may have been exposed to an infectious disease.

Although the likelihood of contracting infectious disease by rendering emergency medical care is small, we recommend you contact the Spokane Regional Health District, 324-1542, as soon as possible.

They will provide medical advice regarding what, if any, steps should be taken by you to document this potential exposure and evaluate whether any treatment would be indicated which might reduce the potential of contracting an illness in this circumstance.

Again, thank you for your actions in this emergency.

* EMS agencies should have this on business card size to give to the citizen. Please check cards for correct phone number and change to number above if incorrect.
